

WORKSAFE SMART MOVE 2002

ACTIVITY: WORKING SAFELY

Design safety posters or Powerpoint presentation

Work in the classroom in small groups or by yourself, under the supervision of your teacher or work on this activity as a homework assignment.

Resources:

- WorkSafe Smart Move General Module or more detailed information on specific hazards from WorkSafe's website at www.docep.wa.gov.au
- Art supplies such as paper, pens or paints, glue and collage materials or computer with Powerpoint software.

Task:

- Design a set of four small posters to promote safety and health in workplaces to young workers OR create a Powerpoint presentation.
- The set of posters or Powerpoint presentation should be informative and should clearly show the main message of each poster or slide. You will need to undertake some research to complete this activity.
- Your presentation or posters could focus on:
 - hazard identification and risk assessment in general;
 - specific hazards such as manual handling; slips, trips and falls; hazardous substances; electricity; noise, mechanical equipment; or
 - employers' and employees' responsibilities
